PART 1

M.V.P. Foundation

Name:

Coach Melissa Dawn Simkins

Date:

July 7, 2025

 **Vision** (Where am I going?)

To pioneer a new path that begins with wholeness, leads with wisdom, and multiplies generational impact.

I see a world where leaders no longer sacrifice everything to succeed, but instead live freely and fully—aligned with purpose, nourished in wellbeing, and bold to believe in what seems impossible.

 **Mission** (What am I doing daily?)

To live and lead well—present, purpose, and aligned.

I exist to leverage my gifts of business, communication and connection to create relevant and lasting value in the marketplace. I live "time wealthy"—rich in health, deep in faith, and free in spirit.

 **Purpose** (Why am I here?)

I exist to fulfill the reason God placed me on this earth: to become the woman, wife, mother, and leader I was intended to be.

I challenge the status quo and create a new path - fueled by purpose, and designed to impact a new league of exceptional leaders.

 **Values** (What guide my decisions)

Faith, Family, Excellence, Service, Wellness, Growth

Where do I need to grow (next 90 days)?

CORE 4™ SCORECARD: *Weekly Pulse*

Welcome to your weekly checkpoint in the 90-Day Way™. The Core 4™ Scorecard™ is your leadership conditioning tool. Each week, you'll track your rhythm across the Core 4 pillars: Agility, Resilience, Alignment, and Wellbeing as you move toward your 90-day goals. Set a weekly “game tape” review session - to reflect on your progress, challenges and breakthroughs over the week and project forward into your intentions for the following week.

This tool isn't a test. It's a mirror. It helps you reflect honestly, reconnect with your M.V.P.™ (Mission, Vision, Purpose), and reset your rhythm so you can sustain your performance through change—not just pressure. Your weekly scores fuel your monthly reflection and 90-day reset. This is how you measure momentum in real time.

The goal isn't to hit a perfect 5.0—It's to build self-awareness and discipline. Each week, your Rhythm Pulse™ gives you one thing: Truth in real time. And when you know where you are, you can lead from there.

Score each pillar honestly. Then track your Rhythm Pulse to see your momentum build over time.

“The goal isn't to impress—It's to stay in process. Trust the reps. That's how we condition your leadership and rhythm becomes reality.”

—Melissa Dawn Simkins
